

Dear Parents,

If you have a daughter, you know that the deepest desire of any parent's heart is to see her happy, confident, and most importantly, deeply aware of God's love for her. For her to know how courageous and strong she can be, and that God has a plan to use her life for good!

Strong, confident girls and women are making a splash in pop culture. From Disney's Merida in *Brave* to Veronica Roth's Katniss in *The Hunger Games*, girls are taking their place as the heroes of the story, and rightfully so!

Women have been a crucial part of God's story for generations, and the Bible is full of brave girls whom God used to make a difference. Ephesians 3:20 tells us, "With God's power working in us, God can do much, much more than anything we can ask or think of. To Him be the glory!"

We are overjoyed to tell you about a new brand making its debut this September that we hope will speak these truths to your daughters' hearts, *Tommy Nelson's Brave Girls!*

Brave Girls Bible Stories, the first book from the new brand, will help girls grow in their knowledge of the Bible and in their faith. Your daughters will get to know our Brave Girls – Hope, Gracie, Glory, Faith, and Honor – five modern-day friends – as they journey through the Bible together.

The girls are each very different, but they all love Jesus and love each other. Readers will find parts of themselves in each of the five Brave Girls as they share their strengths –from sports to fashion – and struggles, including making new friends and working through dyslexia.

As the Brave Girls narrate, readers will learn such valuable truths from more than thirty women in the Bible who dared to follow God.

Sincerely,
The Tommy Nelson Team
